

As a courtesy, we provide volunteer parking attendants for the purpose of directing our church family and visitors to open parking areas. This group serves on a volunteer basis only. They are not guards, police, or law enforcement agents.

Please note that, as with all city parking, you do so at your own risk. LGC assumes no liability for any damages or loss of property.

Observe all signs and limits around the building, alley, and street.

We hope that this brochure will help answer the challenge of inner-city parking, and clarify all of the parking options that are available. Call, email, or stop by with any questions or concerns that you may have.
